NEWSLETTERS

The Newsletters are sent through Mailchimp to the list of recipients, which is constantly being enriched through the various activities of Action E2, as well as through the project website. Newsletters are sent whenever the project partners decide that the public should be notified about specific activities. To note that the English version of the Newsletter was launched in October 2022, when the first non-Greek speakers joined the project's mailing list.

You can view the Newsletters which were sent so far by following the below links:
